#6: Anil Ananthaswamy

The Speaker: Science writer [Anil Ananthaswamy](#) was born in Bhilai India and studied electrical engineering at the Indian Institute of Technology Madras. He is the author of *The Edge of Physics*.

Why We Love Him: Anil's fascination with dark matter has led him to places like the Atacama Desert in Chile, to Siberia, the Japanese Alps, Northern America, and all the way to Antarctica and the South Pole. An amazing storyteller, Anil uses words to transport us to some of the most remote and silent places on Earth.

[Ted Talk](#)

"One of the greatest adventures human beings have embarked upon: is the quest to understand the universe and our place in it," Anil Ananthaswamy.
